Official holiday club activity booklet 2024

Hello! My name is Kennedy and over there is my friend, Houston. We are your space-guides for this week! Please bring your 'Launch-Pad' booklet with you each day of Holiday Club. Don't forget, you'll get points for bringing it back completed and - as we all know - points mean prizes! Can you also colour in the rocket ship for us? We'd like it to look out of this world!

Don't forget to fill out your boarding pass details! Now, strap in, Kennedy, we're almost ready for take-off!

TEAM:

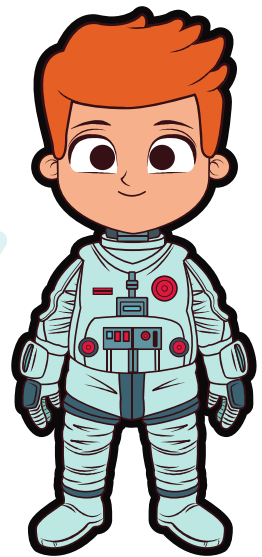

There are lots of fun things to make and do, both during craft time at Holiday Club and in this book. Don't miss out on collecting stickers, which you can get from your team leader for things like good singing, coming dressed up, remembering memory verses or listening nicely during group times. If you collect one of each sticker then you can even get our 'Holiday Club superstar' special sticker!

See page 18 for more details.

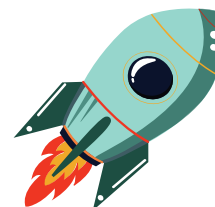

Your grown ups can follow what's happening at Holiday Club on the York Baptist Church Facebook page. You can also share pictures of your crafts and activities on Facebook, or by emailing them to holidayclub@ybc.org.uk. By submitting your photos, you are giving us permission to share them during our meetings and on our social media.

IMPORTANT!

Get your grown up's permission before sharing photos of yourself!
Get the individual's permission (and their grown up's too) before sharing photos of anyone else!

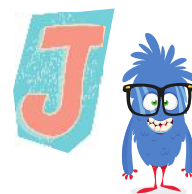

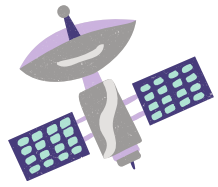

NOTES PAGE

We are the Martians. This week is the first time we've heard all these amazing stories from the Bible. We pop up at various points throughout this book, to ask questions about what we're learning at Holiday Club this week.

If -like us - there are things you don't understand, write them here and ask your team leader to explain them. You could also ask them how they came to know Jesus, or why they think it's important to be a Christian.

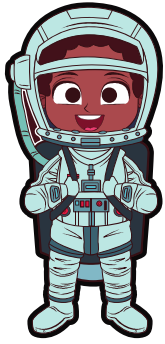

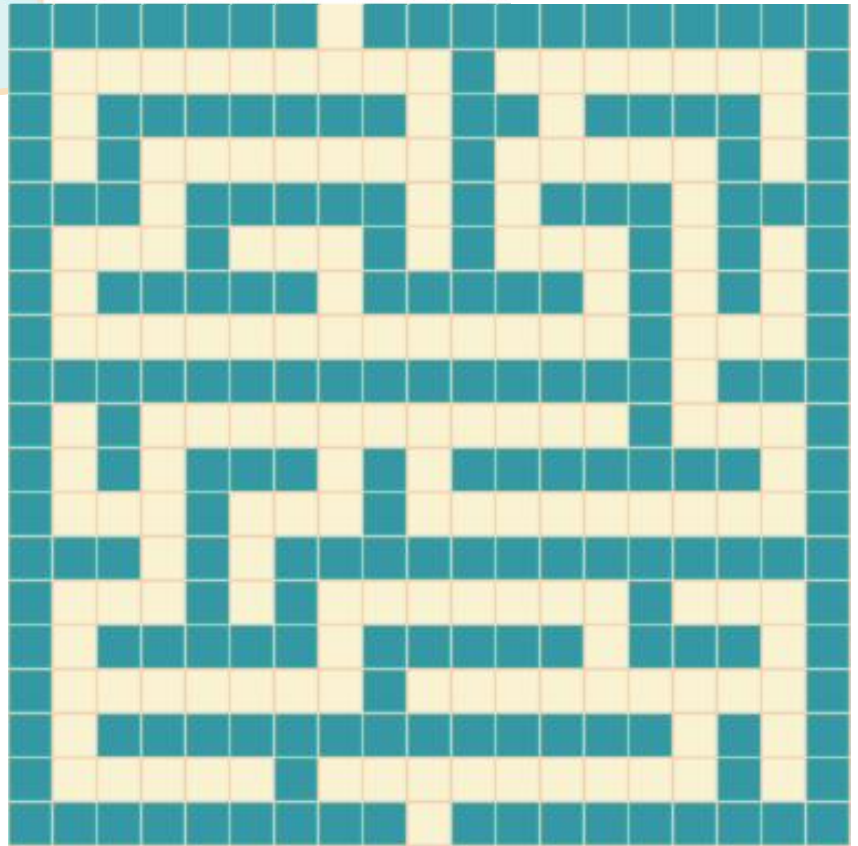

DAY ONE

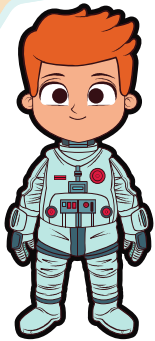

M

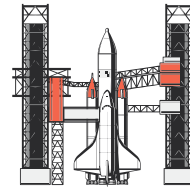

Please help me! I need to get through this maze to the shuttle, or else I'll miss the launch! Can you show me the way?

The statements below relate to today's Bible story. Tick the telescope column if the statement is true, and tick the space dust column if the statement is false. Answer on page 16-17.

		
God said "Let there be light!" and there was.		
On the second day God made birds and fish		
God told mankind to look after everything He had made.		
God made woman first, then man		
On the seventh day God had a party.

DAY TWO

My turn to tell you a joke today, Houston. What's an astronaut's favourite quiz show? COUNTDOWN!

Today's story is written on the planets below, but the story sections need putting in order, so that the planets make a solar system. What order should the planets be in? Answer on page 16-17.

VERY FUNNY!
HEE HEE HEE...

The woman took some of the fruit and ate it. She also gave some of the fruit to her husband who was with her, and he ate it.

One day the snake spoke to the woman. He said, "Did God really say that you must not eat fruit from any tree in the garden?"

God said to the man, "Who told you that you were naked? Did you eat fruit from the tree I told you not to eat from?"

The snake replied, "You will not die: if you eat the fruit from that tree, you will learn about good and evil. Then you will be like God!"

The woman said "God told us, 'You must not eat fruit from the tree that is in the middle of the garden, or even touch it, or you will die.'"

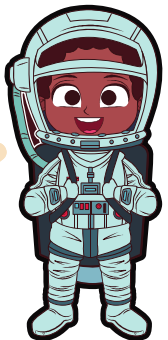

God made clothes from animal skins for the man and woman and made them leave the garden.

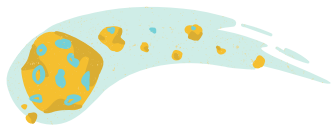

God was walking in the garden and he called to the man, "Where are you?" The man answered, "I was afraid because I was naked. So I hid."

The man and woman realised they were naked. So they sewed fig leaves together and made something to cover themselves.

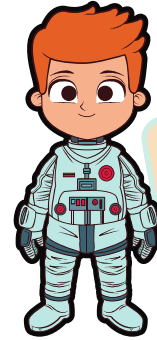

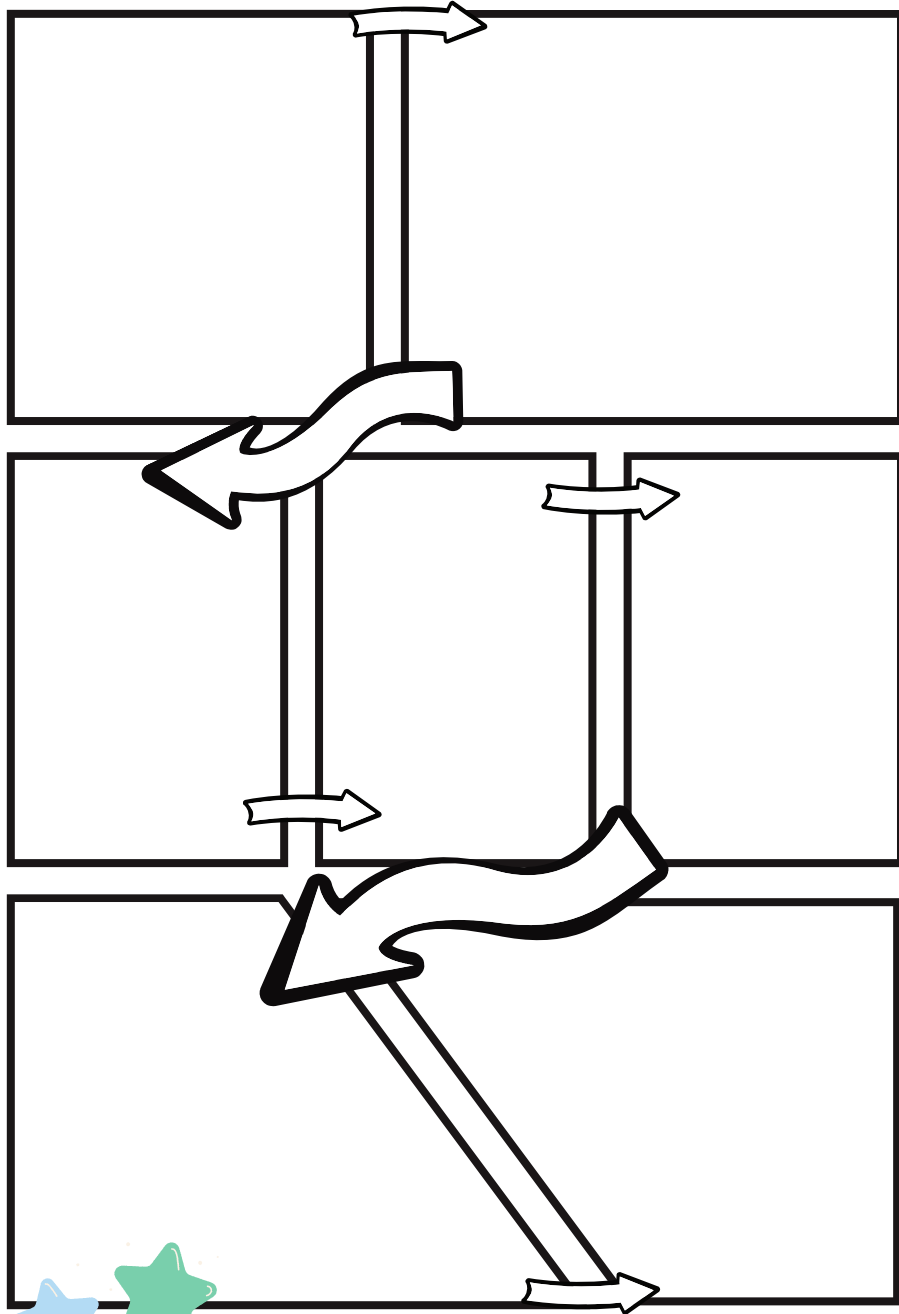

What an incredible solar system that is! Do you think the planets look like the ones in our solar system, or different? Why don't you colour it in to show me what you think?

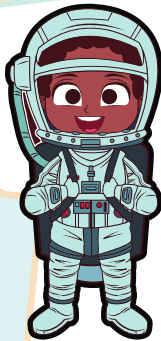

DAY THREE

Can you spot 8 differences between the two pictures above? Answers on page 16-17.

DAY FIVE

EXAMPLE ALIEN
(don't include this letter in the secret message!)

Whilst we're waiting for Holiday Club day 5, let's play 'Hunt the aliens': Below is a grid of 12 aliens who are hiding through the pages of 'The Launch Pad.' Each alien will be next to a letter (see the example to the left). Find the aliens and write the letters in the grid. Look carefully, they could be hiding anywhere! Answer on page 16-17.

BONUS TASK:

Unscramble the alien's letters to discover a secret message. Come to the parents come too session on Sunday morning at 10:45am, say the secret message to your team leader and collect 50 extra points!

(For obvious reasons, the answer to this is NOT on page 16-17!)

Look at page 13 for instructions on how to make your own bottle rocket! You will need a grown up to supervise you if you try this. Please be careful!

Why not get a photo or video of your rocket launch and ask your grown up to send it to holidayclub@ybc.org.uk?

DAY FIVE

Ummm....Kennedy? What's happened to us? We're fading away! We need to be coloured in!

HOW TO MAKE A BOTTLE ROCKET
Adult supervision is recommended.

EQUIPMENT

- Safety glasses
- Empty 2-litre bottle
- 3 tablespoons Baking Soda
- 2-3 cups vinegar
- Strong tape (duct tape or similar)
- 3 pencils
- One cork (make sure it will fit mouth of bottle)
- Paper towels

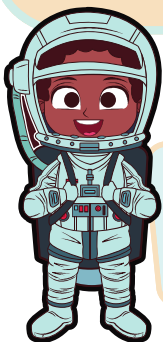

INSTRUCTIONS

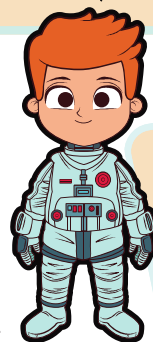

1. Decorate your bottle however you like.
2. Add the pencils to the bottle as 'feet' and secure them using the tape.
3. Fill the empty bottle about halfway with vinegar.
4. Add Baking Soda onto a small square of paper towel.
5. Roll the paper towel tightly enough to fit inside bottle, and so that no baking soda can spill out.
6. Place paper towel full of baking soda inside bottle and plug with cork. (Do not plug too tightly, but don't allow any liquid to spill out.)
7. Take the bottle outside. Turn the bottle upside down, place on its 'feet' and **STAND BACK!**
8. Watch as the rocket soars into the sky!

Don't worry Kennedy, I've saved the best for last: how should you eat soup in space?

SPOTLIGHT ON SKETCH

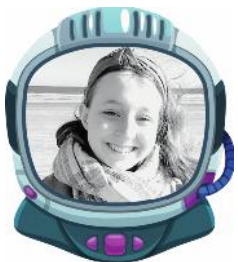

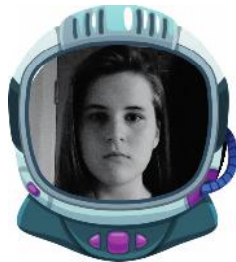

CAPTAIN JEFFREY BURKE is in charge of HMS Perfection, a spaceship tasked with exploring unknown worlds. Although the leader of this motley crew, he is also known to be a bit of a buffoon, with a particular fondness for custard creams. Captain Burke is played by **JOE BENNETT**, a veteran performer in holiday club sketches, who is also writer and director of this year's production.

The role of **JIMMY** is taken by **MATT MASON**. Although to the crew of HMS Perfection Jimmy is thought to be merely the lowly ship's cook and assistant to the captain, he is in fact the son of the Great Designer, who is the brains behind the Perfection and its mission of exploration. Matt is delighted to make his debut with the YBC cast this year.

First officer **CASSEY O'PEIA** is second in command aboard HMS Perfection. She is loyal to the captain and takes her job overseeing the rest of the crew very seriously. Cassey is played by **FREYA RICHARDS**, another new member of the YBC company. She is excited to make her debut performance at holiday club this year.

Felicity '**FIZZ**' Flight is a pilot and navigator on board HMS Perfection. During a routine exploration expedition, Fizz cannot resist adopting a small alien creature and smuggling it aboard ship, going against the Captain's orders. Unsurprisingly, chaos ensues! The role of Fizz is fulfilled by **ANNA GAMOV**, returning to the YBC sketch crew for her third season.

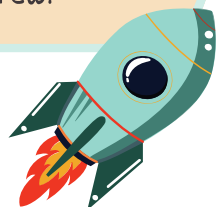

This year **BEA KING** takes on the role of **SPANNA'S MCKOY**, the ship's engineer. Spanna's primary concern is to maintain the ship's engines. She is the first person to learn of Fizz's alien stowaway and offers to help out. Bea is happy to be back among the YBC cast once again and is surprised to find herself one of our more experienced performers!

Following in his father Joe's footsteps, **NOAH BENNETT** treads the boards and takes on the role of ship's android 'Intelligence Designation IO-Theta,' or '**I.D.-IO-T**' for short. I.D. is as skillful at causing havoc as his name suggests! Noah loves being involved in the YBC sketch team and is delighted to be back again this year.

MYSTERY GUEST APPEARANCE: The **GREAT DESIGNER** is the brains behind HMS Perfection. He has sent his son, Jimmy, aboard the ship to ensure the safety of the crew.

STAR SQUAD THEME SONG

Welcome to the star squad,
We're blasting into space,
To orbit round the planet
That's the home of the human race.
We'll learn about creation,
And maybe we will find
About God's plan to send His Son,
To rescue all mankind.

Star squad, we're the star squad,
We're learning all about God.
Star squad on a mission,
Trusting Jesus and we'll listen
To the Bible, what it tells us
Of the King who came to save us.
Lots of fun to be had at the star squad!

MIGHTY, MIGHTY SAVIOUR

No one is good,
No one is holy before God.
I need someone to cleanse me.
No one is pure,
No one is righteous in Your sight.
I need someone to save me.
But I'm so glad You died and rose again,
For helpless sinners like me...

What a mighty, mighty Saviour You are!
What a mighty, mighty Saviour You are!
You can wash away my sin,
You can change my heart within,
What a mighty, mighty Saviour You are!

Sin is too strong,

Sin is too strong,
For me to conquer on my own.
I need someone to help me.
I am too weak,
I cannot change my sinful heart.
I need someone to save me.
But I'm so glad You died and rose again,
For helpless sinners like me...

YOUR WORD

Your Word is a light upon my feet, Lord
And a beacon on my path, shining bright,
Teach me Your Word.
Wiser than the wisdom in the whole world,
And it's sharper than a sword.
Teach me Lord, teach me Your Word.

Open now my eyes, Lord, I want to see
Something more of You and Your love for me;
Show me words of wonder and mystery,
Teach me Your Word, O Lord.
Open up my ears Lord, I want to hear
Nothing but Your voice calling loud and clear;
Feed me on Your Word now as I draw near,
Teach me Your Word!

Precious, more than gold and more than silver,
Sweet like honey on my tongue,
Lord I long after Your Word.
Your Word is a light upon a my feet, Lord,
And a beacon on my path, shining bright,
Teach me Your Word.

IF GOD MADE THE SUN

If God made the sun and set the stars ablaze;
Lit up the heavens to declare His praise;
If God built the mountains and He filled the sea,
God must be great,
Great enough for me to fully...

...Trust Him, when the going gets tough;
Yeah, we can trust Him.
God is able enough
To keep us standing,
Whatever may come our way.
Our God's unfailing,
From the first to the last
He's never changing,
Future, present and past;
Our God's amazing,
And we can put our trust in Him!

If God freed his people from the Pharaoh;
Battled for Joshua down in Jericho;
If God rescued Daniel from the lions' den,
God must be great,
Really great, so then we ought to...

If God showed His love when Jesus died for me;
Dealt with my sin - I got His guarantee!
If God proved it all when Jesus rose again,
God must be great,
Really great, so then be sure to...

GOD ALWAYS KEEPS HIS PROMISES

Oh, God He always keeps His promises
He said the sons of Abraham
Would be more than the grains of sand
And so, his family grew
Underneath the Pharaoh's rule

Oh, God He always keeps His promises
He said the blood upon the door
Would keep the Israelites secure
And so, He stayed His hand
And led them to the Promised Land

Our God is good and true
He cannot lie to me and you
We can be sure of this:
God always keeps His promises

Oh, God He always keeps His promises
He gave us laws to be obeyed
And we broke everyone He made
But when we ran from Him
God said He'd take care of our sin

Oh, God He always keeps His promises
He said His Son would set us free
Through His death at Calvary
He suffered in our place
And then He rose up from the grave

HE CALLS ME FRIEND

I have a friend, a faithful friend
And Jesus is His name
I have a friend, a Saviour friend
And Jesus is His name
He will not leave, He stands by me
My Shepherd He remains

I have a friend, a mighty friend
And Jesus is His name
I shall not fear, He holds me near
His strength will keep me safe

His name is True King Lord of creation
Ruler without end
I call Him Hope, Peace, Wonderful Saviour
And what joy that Jesus calls me friend!

I have a friend, the kindest friend
And Jesus is His name
He hears my cry, by day or night
And wipes my tears away

I have a friend, a Saviour friend
And Jesus is His name
He fought for me on Calvary
And trampled on the grave!

UP THERE

Up there, out of this world
Rockets flying high.
Up there, out of this world,
Stars go shooting by.
Up there, out of this world,
Gazing up above,
Up there, out of this world,
God made it out of love.

See moon and stars and a big black hole
But do you know who's in control?
God, he made them one by one,
'Cause His love and His power,
They go on and on and on and on...

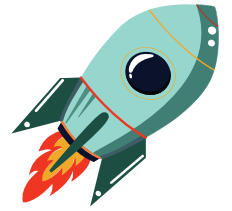

See galaxies and nebulae,
Ever stopped to wonder why?
God loves us, loves everyone:
Yes, his love and His power,
They go on and on and on and on...
